

Emma Zheng

Vienna, VA 22182 | ezhengva@gmail.com

Summary

High-achieving junior with a robust foundation in AP STEM coursework, including Statistics, Calculus, and Computer Science. Proven leader as President of Langley STEM Tutoring and a four-term Student Executive Board member. Seeking a summer research internship to apply computational skills and analytical rigor in an academic or professional laboratory setting.

Education

Langley High School, High School Diploma – McLean, VA

Expected June 2027

- GPA: 4.34 (weighted)

Experience

Student Research Intern (incoming), Phipatanakul Lab, Harvard Medical School – Remote

June 2026 - present

- Selected for a summer research internship under Prof. Phipatanakul at Harvard Medical School and Director of the Clinical Research Center at Boston Children's Hospital.
- Participating in the Asthma Journal Club series, reviewing and discussing current literature in asthma, allergy, and immunology research.
- Applying data analytics skills to support clinical research projects, including data cleaning, analysis, and visualization for ongoing asthma studies.

Data Scientist Intern, Vertedge Health Analytics – Remote

July 2024 - present

- Cleaned and prepared complex datasets from diverse sources, utilizing Python and SQL to engineer features and conduct foundational data analysis.
- Supported senior data scientists in model development by preprocessing data, visualizing key trends with BI tools.

Executive Board Member, Langley High School – McLean, VA

2023 – 2027

- Elected by the student body for four (4) consecutive terms (2023–2027) to lead class-wide initiatives.
- Orchestrated major school events and coordinated the Interclub Council to harmonize activities across dozens of student organizations.

Head of Scenic Painting, Langley Theatre – McLean, VA

2024-2025

- Supervised a technical team of 6 student painters to execute the comprehensive scenic design for a major musical production.
- Managed execution timelines and delegated specific artistic tasks to ensure high-quality visual storytelling and on-time completion.

Camp Counselor, Camp Firefly & Camp Primavera – McLean, VA

2023

- Orchestrated interactive programming and educational workshops for junior Girl Scout troops, fostering inclusive environments for learning and engagement.
- Coordinated volunteer peer teams, developing essential leadership skills in task delegation and collaborative problem-solving.
- Cultivated strong communication channels between mentors and younger participants, earning consecutive leadership recognition from peers.

Leadership Intern, Camp Invention – McLean, VA

2022 – 2023

- Facilitated science-based inquiry through hands-on STEM projects for elementary-age students.
- Ignited creativity and critical thinking by guiding students through complex engineering challenges.

Junior Swim Team Coach, Junior Swim Team – McLean, VA

2022 – present

- Mentored 15+ swimmers ages 8–14, designing individualized training regimens to improve technique and competitive performance.
- Cultivated a culture of teamwork and sportsmanship, providing strategic advice and motivation during local competitive meets.

Extracurricular Activities

Academic & STEM: President of Langley STEM Tutoring, Science Honor Society, Math Honor Society, Langley Robotics

Performing & Visual Arts: Head of Scenic Painting, International Thespian Society, Saxon Stage (Theatre), Saxon Theatre Set Crew
